A passionate architect with over 20 years of experience in architectural designing and construction management, with limitless curiosity in exploring different areas of architecture and engineering.

Work Experience

August 2012 – Present **PRINCIPAL ARCHITECT, 3VE Limited, Hong Kong**

- ❖ Coordinating the activities of architects and engineers, management and construction supervision of buildings
- ❖ Pioneered in the design and installation of large amounts of artistic glass mosaic in churches (820 square meters)
- ❖ Creating design solutions for projects of great value, according to the specific clients' requirements
- ❖ Developing projects for energy-self-sustainable buildings with the use of solar and wind energy

March 2001 – December 2015 **GENERAL PROJECT MANAGER, AG Kamen d.o.o., Siroki Brijeg and SPCO Mrkonjic Grad, Bosnia and Herzegovina**

- ❖ Designed landscape projects and supervised their implementation
- ❖ Developed a reconstruction project of an old stone-walled building
- ❖ Designed the constructive strengthening of buildings and the earthquake resistant design
- ❖ Headed stone projects for the construction of a historically important stone-walled church in Banja Luka, B&H
- ❖ Created complex interior design projects and monitored their realization
- ❖ Organized and executed a stone production line with CNC machines (Pedrini Fresa, Prussiani Dorico, Waterjet)

October 1999 – May 2009 **PROJECT MANAGER & PROJECT ARCHITECT SPCO Banja Luka, Bosnia and Herzegovina**

- ❖ Developed and completed a renovation project of a strategic and historically important building, worth 7 mil USD, Church Christ the Savior, Banja Luka, Bosnia and Herzegovina
- ❖ Designed a landscape design project with significant financial savings within the project budget
- ❖ Created complex projects with knowledge and experience of the seismic-resistant design and construction, and the principles of building reconstruction

December 1998 – October 1999 **ARCHITECTURAL DESIGNER, Self-employed**

September 1996 – December 1998 **ASSISTANT ARCHITECT Hans-Jürgen Kaluzny, Duisburg, Germany**

- ❖ Assist in the design of residential buildings in the public and private sectors
- ❖ Provided handmade project documentation

July 1995 – September 1996 **ARCHITECTURAL DESIGNER, Self-employed**

Higher Education

July 1995 **Bachelor of Engineering in Architecture and Urban planning,**
Faculty of Architecture, University of Zagreb, Croatia

Skills

- ❖ **Language skills:** English / German / Russian - level B1 - B2
- ❖ **Computer skills:** PC, Office, Autodesk AutoCAD, Revit 2018, Adobe Acrobat, Corel Draw, Rhinoceros
- ❖ **Croatian Driving License** - category B

<u>Year</u>	<u>Certificates</u>	<u>Organization</u>
2017	Project management in architecture	3VE Limited, Hong Kong
2016	Solar and wind energy in architecture	3VE Limited, Hong Kong
2012	Mosaic projects' management	3VE Limited, Hong Kong
2002	Stone projects' management, CNC machines programming	AG Kamen, Siroki Brijeg, B&H
2001	Construction management, Principles of renovation, Earthquake resistant design	SPCO, Banja Luka, B&H
1992	Passive houses and solar architecture	Faculty of Architecture, Zagreb, Croatia
